One vehicle recorded was reported to the police due to overtaking 5 other vehicles and exceeding the speed limit but the police were unable to proceed further with this as the car in question was a hire car!

EP asked if there could be an early speed watch 6am to 8am as would be available apart from a Thursday as noticed a high amount of speeding traffic at that time of day.

CF suggested the possibility of a rota system EP agreed so for planning for a month ahead of teams would be prepared and more use of all the 16 volunteers.
